

### Jennie Dean Park

- ❖ A Working Group committee will review the park master plan concepts again to see if another round of review/discussion can:
  - Better address safety concerns related to the alignment and siting of the 2 athletic fields.
  - Reconcile the staff preferred option and other option(s) to lead to a better arrangement of the associated park elements.
  
- ❖ Staff will support the Working Group's Jennie Dean Park Committee.
  
- ❖ Committee work to conclude by the end of March to allow for inclusion in the "Request to Advertise" Staff Report, scheduled for April 2018. *[Committee will report back to the 4MRV Working Group at the March 21<sup>st</sup> meeting]*

### 2-Block Area / Arts District

- ❖ Remove 2-Block Area from the Park Planning Area.
  
- ❖ Examine, with the Working Group, ways to depict and/or describe the 3 County-owned parcels to preserve flexibility as future planning discussions, including those related to a follow-on Arts District study/process, determine best public uses.

### Parking / Road Diet

- ❖ County Board expressed no interest in pursuing structured parking.
  
- ❖ Staff will consider the impact and effectiveness of short-term parking improvements such as signage and/or meters before making major changes to road and lane configurations.
